## Seed of Creed

### *The Liturgical Calendar- Part 1* UNFOLDING THE MYSTERY OF CHRIST

One way the Church tells the story of God's saving activity is by its calendar. "Within the cycle of a year, she unfolds the whole mystery of Christ. Recalling thus the mysteries of redemption, the church opens to the faithful the riches of her Lord's powers and mercies so that they are in some way made present at all times, and the faithful are enabled to lay hold of them and become filled with saving grace" (Vatican II, *Constitution on the Sacred Liturgy*, #102). During this yearly cycle, we remember our story and deepen our understanding of its meaning for us.

The Church year is anchored by two segments: **Advent-Christmas-Epiphany** and **Lent-Holy Week-Easter-Pentecost** and the **Sundays in Ordinary Time** fill out the rest of the year. The overall pattern highlights the transitions from darkness to light to manifestation, and from promise to fulfillment to proclamation.
